

THE NILES ROTARY PINION

June 2017

From the President

Well, my term as president of Niles Rotary is wrapping up. It's a bittersweet moment. Looking back over the past Rotary year, I am proud of everything we accomplished together. Thanks to Sandra Young and Manuel Franco, we are wrapping up our international project to

bring fresh drinking water to Segera Mission in rural Kenya. Thanks to Audrey Kearns and Geeta Kadambi, we have a great new international project taking flight with SightNow. Thanks to Paul Andrus and the Community Service leads, we held several successful service projects in conjunction with Fremont Unified and LEAF. Thanks to our sergeant-at-arms, Dana Jones, and board secretary, Tammi Souza, club operations have run like clockwork all year long. Thanks to President Elect Rose and the Reverse Raffle Committee, we had one of the most enjoyable and successful Reverse Raffle evenings in memory. Thanks to Past President Lisa, we kept busy socially all year long. Thanks to the Membership Committee and the mentoring team, we have added five new members this year, and have a strong mentoring program in place to support new members going through the red-badge process. Thanks to club and foundation treasurers, Don Cole and Larry Bowen, we know exactly where the money is and where it is going. Thanks to Paul Iannaccone, we have a solid grasp of contributions to the Rotary Foundation. And thanks to Dirk Lorenz and the Youth Services Team, we continue to enjoy a strong connection with the three Interact clubs we sponsor, as well as the Rotaract Club of Greater Fremont.

From the President (continued)

Despite the pain of relinquishing the gavel to the incoming president, I am extremely excited about President Elect Rose's presidential year. For many years, Rose's commitment to Rotary service at our club has breathed the life into vital community programs such as Feed the Hungry and Pizza with Santa. And we all know how important her work is to the Reverse Raffle event. So it is only fitting that she will now be the formal leader of Niles Rotary, since she has for a long time been one of its informal leaders. I am keenly anticipating what your year will bring, Rose.

The bottom line is that change is good for organizations. New people step into leadership roles, and they bring new ideas and new perspectives to the work that needs to be accomplished. At every level in the club, we have strong leadership. This is especially true for the Board of Directors. With their terms coming to an end, we owe a debt of gratitude to Dirk Lorenz and Audrey Kearns for serving so ably on the Board for the last two years. Dirk managed our Youth Services portfolio of activities with aplomb and skill. It's not easy cajoling high-school students into showing up for the speech contest or registering to attend RYLA. But Dirk transformed himself into a champion communicator with the Interact leaders, and is now a text-message ninja. Audrey has successfully seen the Seeger Mission Water Project to its conclusion and has helped launch SightNow as an Area Three international project. As our club representative on the World Community Service Committee, Audrey skillfully advocated for Niles Rotary projects and priorities as the clubs of Area Three chose which projects to support. I am looking forward to seeing how incoming board members, Adam Moura (Youth Services) and Rich Godfrey (International Service) will shape their areas of responsibility as they settle into the board. Thank you, Adam and Rich, for stepping up.

As I gaze out from the podium before gaveling the meeting to order and as I watch club members having lunch together, I am often struck by the fellowship and camaraderie in the room. When a group of talented, committed people gathers weekly to break bread and plan service projects and social events, it's amazing how much we can get done together. It's been a pleasure and a privilege to serve as president of Niles Rotary this year. All I can say is thank you for the opportunity. As I have declared all year long, Niles Rotary is undoubtedly the best Rotary Club in the world!

Yours in Rotary – President Angus

When someone asks us what is Rotary, here is what we can say – the short version:

- It's a leadership organization ... We're made up of local business, professional and civic leaders.
- We meet regularly, get know each other, form friendships, and through that, we're able to get things done in this community.

REMEMBERING BETH BOOTH (1932-2017)

Niles Rotary Club member Beth Booth died on Sunday morning, May 28. Beth had joined Niles Rotary in 2007 with the classification Art, Dealer (Beth's late husband Hal was a well known artist in the area). Beth was a Rotary pioneer, having been the first woman admitted as a member by the Rotary Club of Hayward (see photo below), where she had worked as an adult education teacher.

We want to thank Mary Lynn Pelican, who went out of her way month after month to bring Beth to the club in her final years when she felt well enough to attend. According to Mary Lynn, a memorial service is scheduled for June 24. When there are further details, they will be passed along to the club.

THANK YOU WEBSITE SPONSORS!

Interested in being a sponsor for our Club's website? Great! We would love for you to be a sponsor and help keep our website the award winning site that it is.

CLIFF DOCHTERMAN'S LAST ROTARY SPEECH AT NILES ROTARY ON MAY 4, 2017

As Cliff entertained us with his speech, he also passed along highlights from his experience in Rotary over these many years.

He was turned down 2 times as a prospective member for Berkeley Rotary, when he was an administrator at UC Berkeley; he was accepted the third time he was proposed. He went on to serve as club president during his 4th year in the club. After just 7 years in Rotary, Cliff served District Governor in 1968 – 1969 – John Kimber was our Niles Rotary club president during Cliff's year as DG.

In the 1970's Cliff was appointed to Rotary's new 3H committee; this was the first time Rotary had looked at Rotary service beyond the club level, and it was important that this committee be immediately successful. One of their proposals was from the Philippines – to use a vaccine to eradicate polio in the Philippines. There were 6 million children immunized in one week. Thus was born Polio Plus in Rotary International, begun in the 1986-1987 Rotary year. It was the largest humanitarian project ever done by an organization. As the project began, there were 350,000 – 400,000 cases of polio in 125 countries. There are now just 5 cases of polio thus far this year in 2 countries – Afghanistan and Pakistan.

Cliff shared some stories of his year as the President of Rotary International (1992 – 1993). The office is on a level of a head of state; Rotary has a seat in the United Nations and the president meets frequently with heads of state all over the world. He visited over 100 countries as RI President, and met heads of state from the King of Thailand to the head of Estonia, to President Clinton. In 1992 Cliff received a request for Rotarians to help out in Bosnia-Herzegovina where there was a civil war; Rotarians raised \$8 million in a short time, and saved the lives of 100,000 people that winter with the aid of food, clothing, etc. Over Cliff's 60+ years in Rotary, he has had dinner with Herb Taylor (inventor of the Four Way Test), and received the title of honorary Nigerian tribal chief.

What is important to Cliff as a Rotarian? He values the fellowship of Rotary, as well as the opportunity to serve. Cliff says that “you never know which Rotarian needs you that day”, and “Never underestimate the small acts of caring,” and “Little acts of friendship turn life around in a second.” Cliff stated that the speech at Niles Rotary was his last Rotary speech (though gossip on the street is that he has said that recently to other Rotary clubs as well – he keeps on going!).

Centerville Free Dining Room Food Handlers Card Information

From Rose Evernden-Andrade:

As a result of a recent Health Department inspection at the Centerville Free Dining Room, all Rotarian volunteers that handle food are required to have a California Food Handler card prior to our next Feed the Hungry on March 30, 2017.

This includes all: Kitchen food handlers; Servers; Dish Washers

The only volunteers exempt for this rule are the Greeters and the person taking the Census.

Rotarians can obtain their card by going on line this month (February) to www.premierfoodsafety.com.

There is a cost of 6.99. You must create an account, sign-in and listen to the training video, which runs about 45 minutes. There is a 40 question quiz at the end that you must pass with a 70%. It is very easy and really just goes over the basics of food handling. (after February 28, the course price increases to \$15).

Once you have passed you can print your certificate and card on your home or work printer.

There is another form that needs to be signed – I will have the forms at the meeting on March 16, 2017. If you could bring a copy of your card to that meeting I will have you sign the form and turn everything into the free dining room.

ROTARIANS WITHOUT CARDS WILL NOT BE ABLE TO VOLUNTEER FOR THIS PROJECT.

If you would like assistance with this PLEASE call me – I am happy to set time up in my office and walk you through the process. I can be reached at 510-304-7703.

If you have teens, spouses or significant others that attend this project they will be required to have their card and signed document also - If you or they are not at the meeting on the 16 we can handle all issues via e-mail.

Thank you for your support -

PE Rose

What kinds of meetings and events constitute a make-up for a missed Niles Rotary club meeting?

You can make up a missed club meeting either 2 weeks before or 2 weeks after the meeting of Niles Rotary that you missed. In addition to attending a meeting of another Rotary club anywhere in the world (go to the R.I. or District 5170 websites to find out where clubs meet), you can attend a club social, community service project event (e.g. Feed the Hungry), committee meeting (e.g. Chili Cook Off Comm., Membership Comm., etc.), Niles Rotary Board of Directors meeting, District or R.I. event, or a special event. Or check the www.rotary.org website for an e-club make-up.
