

THE NILES ROTARY PINION

December 2016

From President Angus

Happy Holidays, Niles Rotarians! With Thanksgiving in the rear-view mirror, we are truly in the midst of the holiday season. And Niles Rotary has a plethora, a myriad, nay a bunch of ways for you to celebrate with friends and fellow club members.

You could join us on the Train of Lights on Friday, 12/2. The following week, you could ring in the season with some caroling at Scott Chambers' house on Friday, 12/9, and ring the bell for the Salvation Army at Dale Hardware on Saturday, 12/10. Finally, the culmination of Niles Rotary's holiday madness will be Saturday, 12/17, when we host Pizza with Santa and the annual Niles Rotary Holiday Party at the Allen's home.

Before we bid adieu to 2016, and because I neglected to write an article for the November issue of the *Pinion*, I wanted to express my appreciation to all the club members who helped organize the many social and service events for Niles Rotary in October and November. Thank you, Paul Andrus and Jeff Shinkel, for organizing the Candle Lighters Ghost House assembly and disassembly. Thank you, Harry Avila, Wendy Mills and Melissa DiMatteo, for running the Niles Walking Tour and Essanay movie. Thank you, as always, President Elect Rose, for Feed the Hungry. It's especially great to see so many of the newer members of the club taking the lead with Niles projects.

FROM PRESIDENT ANGUS (continued)

And thank you, Past President Steve, for assembling the Niles special-ops community-service team to put a waterproof tarp over the top of the Bunk House at Shinn Park. This service project was so covert, so stealthily-crafted that no-one – not even I – knew it was happening until it showed up in the *Tri-City Voice*. I didn't even get a pair of night-vision goggles or a colorful code name out of the deal. (see photos page 11)

In the month of December, I am going to ask Niles Rotary Club members to contribute to a project being championed by the District Governor's spouse, Barbara Orth. The mission of the project, titled "Read Me a Picture," is to promote visual literacy and art appreciation through book ownership. As Barbara points out, over 61 percent of low-income families have no books in their house, and their children are at a substantial disadvantage in achieving success in elementary school. (see article on page 18)

In supporting Barbara Orth's project, our goal is to give at least one book to every second-grade student enrolled in Title 1 schools in Fremont Unified. These schools have high percentages of children from low-income families enrolled. Fremont Rotary and Fremont Warm Springs Sunrise Rotary will be partnering with us on this, as there are 460 second-grade students for whom we hope to purchase books.

Stepping up to the plate to help make "Read Me a Picture" a huge success at Niles Rotary is Sam Forbes. Thank you, Sam! So, look for more information coming out on how you can help support this literacy project. The Governor's spouse has asked that we collect funds to purchase the books through the month of December. Stay tuned.

With that, I would like to wish everyone in the club the happiest and merriest of holiday seasons. Whether you celebrate Christmas, Hanukkah, Kwanzaa, the winter solstice, Three Kings Day, St. Lucia Day or (my favorite) Boxing Day, I hope you get to spend time with loved ones. And lay off the egg nog on Hogmanay, if you are driving. We want everyone back at the club safe and sound for the second half of my presidency.

In Rotary,

President Angus

KEEP CALM SERVE ON HAGGIS CHALLENGE 2016 - 2017

The challenge is on! Teams have been formed and we are encouraged to bring guests to our meetings in this competition for the Friendliest Rotarian and team with the most points (guests and inducted new members). The contest goes for the next 5 months until the end of February. A point is earned by a Rotarian for each guest they bring; and 5 points by the Rotarian if the person joins Niles Rotary. The club pays for lunch for a guest for their first 2 meetings. The prize? Angus promises haggis and some other treats at a dinner at his home.

RECENT COMMUNITY SERVICE PROJECTS

Niles Rotary helped the Candle Lighters dismantle the Ghost House on Saturday, November 5.

COMMUNITY SERVICE PROJECTS (continued)

On a rainy November 23, Steve Landon, Frank Martin, Chuck Canada, Jeff Schinkel, and Sam Forbes covered the Chinese Bunk House at Shinn Park; Harry Avila provided financial support. This project, led by Chris Louie, is an outcome from the October 6 club meeting program by Janet Barton on Shinn Park. For more information on this project, stay tuned.

MENTOR MEETING – November 15

New members, their sponsors and mentors (plus Membership Committee members) gathered for the quarterly check-in meeting at Fremont Flowers on November 15. We reviewed blue badge progress and answered questions from new members & mentors. Thank you to Dirk & Lisa Lorenz for the venue and food (with help from Judy Coleman).

ROBERTSON HIGH SCHOOL INTERACT CLUB SPONSORS HALLOWEEN PARTY FOR BAY AREA COMMUNITY SERVICES

From Rose Evernden-Andrade:

Robertson High School Interact Club began World Interact Week with a Nacho, Popcorn, and Cotton Candy Party on October 31, supporting Bay Area Community Services for Marginal and Homeless Adults. Niles Rotarians in an effort to Keep Calm and Serve On (club motto), Serve Humanity (Rotary International motto) while Attracting the Young, Having Fun and Getting More DONE (District motto) donated funds to the Robertson Interactors and attended the event.

Robertson Interactors have been working on their DDF Project for months. It began in early September with a visit to the Bay Area Community Services Wellness Center in Fremont to meet with the center clients to assess their basic needs for the upcoming winter. The clients come from various places, some are homeless (campers) and some are marginal adults. The kids, with the assistance of the Peer Counselor, held a meeting and requested the clients to fill out wish lists on small post its to be deposited in to a wish box created by the students.

The wish box was taken back to the school where as a part of their Interact club and Leadership Class they worked with their teacher and Interact advisor Paul Barry to develop a plan for purchase of the most needed items.

The students decided to create Winter Relief packets that would include reusable rain ponchos, head lamps, and two pair of socks (good socks as requested by the clients). They were also able to obtain donations of toiletries from the traveling Rotarians, blanket, pillows and water bottles. The Wellness Center had planned a Halloween Party for its clients on October 31, 2016. The Interactors along with Niles Rotarians were invited to attend. The interactors volunteered to create and facilitate a list of games, assist with set up and attend the party with the distribution of the Winter Relief Packets ending the day.

Two of the goals of World Interact Week are to engage Interactors and to inspire creativity. Sixteen Interact students attended the event. They set up, cooked a meal, made a green frothy drink, served the clients and yes ran a host of games that had everyone smiling, laughing and cheering. This club has certainly accomplished the World Interact goals as they stepped out of their comfort zone to obtain additional donations to purchase sleeping bags or blankets for this challenged group of individuals. In their enthusiasm to meet the needs of the clients at the BACS Wellness Center, the students scoured the community for additional discounts or donations. They hit the jackpot at Kohl's in Fremont; Kohl's staff not only attended the event but will be making a donation that will allow the students to complete their mission and ensure that clients will be a little warmer and drier in the next few months.

Congratulations Robertson High School Interactors for a job well done with heart and caring.

THE ROTARY FOUNDATION RECEIVES AWARD FOR OUTSTANDING FOUNDATION

The [Association of Fundraising Professionals](#) has recognized The Rotary Foundation with its annual Award for Outstanding Foundation.

The award honors organizations that show philanthropic commitment and leadership through financial support, innovation, encouragement of others, and involvement in public affairs. Some of the boldest names in American giving — Kellogg, Komen, and MacArthur, among others — are past honorees.

“We are honored to receive this recognition from the AFP, which gives us even more reason to celebrate during our Foundation’s centennial year,” says Rotary Foundation Trustee Chair Kalyan Banerjee. “The continued strong support of Rotary members will help us keep our promise of a polio-free world for all children and enable the Foundation to carry out its mission of advancing world understanding, goodwill, and peace. We look forward to another 100 years of Rotary members taking action to make communities better around the world.”

The announcement came on 15 November, known to industry professionals since the 1980s as National Philanthropy Day. The award will be presented in early 2017 at the AFP’s annual conference in San Francisco.

Rotary Foundation Trustee Chair-elect Paul Netzel is set to accept the award on Rotary’s behalf, and Eric Schmelling, director of fund development at Rotary, will speak at the conference. The event is expected to draw more than 3,400 senior-level fundraising professionals from 33 countries.

“While almost everyone is familiar with Rotary, not everyone may realize just how much of an impact Rotary and The Rotary Foundation have had on countless people and communities across the globe,” says Jason Lee, AFP president and CEO. “On behalf of the entire charitable sector and people around the world, all of us at AFP are honored to be able to recognize The Rotary Foundation as our 2016 Outstanding Foundation.”

AFP’s committee of judges cited Rotary’s comprehensive campaign to eradicate polio as a major driver of the selection. They also mentioned that Rotary applies a methodical, purposeful approach to support a wide variety of causes, from providing clean water to educating the next generation of peace professionals.

Rotary News
15-Nov-2016

Hello to the Rotary Clubs of District 5170!

I am excited to tell you about the District Governor Partner's Project for this year! The mission of "Read Me a Picture" is to promote visual literacy, vocabulary development and art appreciation, as well as opportunity to exercise a child's imagination -through book ownership.

While most of us grew up in homes filled with books, for over 61% of low income families, this is not the case. The children in these families, without access to age appropriate books, are faced with a substantial disadvantage, as the single most significant factor influencing a child's early educational success is an introduction to reading prior to beginning school.

With your help, my goal is to give at least one book to every K-1 student in District 5170. Local teachers and I have collaborated to select these 4 books:

Can You Find It?

I Spy-An Alphabet In Art

Come Look With Me-Animals In Art

Come Look With Me-Exploring Landscape Art with Children

Each of these books contains beautiful reproductions of classic works of art, depicting a wide range of cultures and styles. They are designed to appeal to all ages, and be interactive and open-ended, giving ample opportunity for observation and discussion. With the funds raised by each club, I will purchase books for that club to deliver to the school or schools of its choice. Depending on the amount raised, clubs will ideally be able to give a book to each child in the District, or to each teacher or a set of books to the school's library. Each book will have a special bookplate inside, acting as a personal reminder of the gift from that Rotary Club.

Fundraising for this project will begin on July 1st and run until Jan. 30, 2017, during the Governor's club visits. I am working with Barnes and Noble to receive a 25% discount on all books purchased, bringing the average cost per book down to around \$11. The goal is to have all books distributed before the District Conference in May, enabling us to celebrate the number of books we have given to students throughout the project.

Giving books to children who do not have access to them is a worthy endeavor. You will be giving children the opportunity to own books to keep and cherish. Access to books is one of the simplest and most effective ways to improve literacy and success in school and later life. I hope you will all join me in reaching the goal of getting at least one of these books in the hands and imaginations of every K-1 student in our District this coming year.

Thank you,
Barbara Orth

RI CONVENTION 2017 – ATLANTA, GEORGIA June 10 – 14, 2017

Registration has begun for the 2017 RI Convention in Atlanta, and already Niles Rotary has a sizeable contingent registered. Watch for a meeting with Rose Evernden-Andrade to discuss the convention. Sandra Young has a District 5170 room block, though it may be sold out by now. Or check with Terri Landon for hotel assistance.

In the meantime, check out the RI convention website: www.riconvention.org and follow the various links to further information. You can sign up to receive convention update information.

What kinds of meetings and events constitute a make-up for a missed Niles Rotary club meeting?

You can make up a missed club meeting either 2 weeks before or 2 weeks after the meeting of Niles Rotary that you missed. In addition to attending a meeting of another Rotary club anywhere in the world (go to the R.I. or District 5170 websites to find out where clubs meet), you can attend a club social, community service project event (e.g. Feed the Hungry), committee meeting (e.g. Chili Cook Off Comm., Membership Comm., etc.), Niles Rotary Board of Directors meeting, District or R.I. event, or a special event. Or check the www.rotary.org website for an e-club make-up.
