FROM PRESIDENT DIRK -

ROTARY MAKES US BLOOM

Hello fellow Rotarians! Thank you for allowing me to be your President in what is bound to be the most unprecedented start of any Rotary year ever. I know I express our entire club's gratitude when I give a huge shout out to now Past President Bruce. His steady leadership, guidance and humor through what has turned out to be the most unprecedented END to any Rotary year ever can not be overstated. Thank you PP Bruce....we all look forward to your demotion...whatever form that may eventually take!

Today, as I flip through *The Rotarian* magazine, I see article after article that reminds me why I was inspired to make "Rotary makes US Bloom" my tag line for my year as Niles Rotary President. Basically, being a Rotarian brings out what is naturally within each of us. It provides an avenue to channel that which is good within every member of this club and Rotary International. Yet...attending a meeting of Niles Rotarians is the very best way to see how each of us "bloom" in Rotary. At the time I am writing this article, we are all still "zooming" our meetings. I can't tell you how anxious I am to be able to once again look around the tables in the room at Washington West and celebrate in person how each of YOU adds to what I'd consider to be the most beautiful "bouquet" I've ever seen. Each member contributes

(continued on next page)

FROM PRESIDENT DIRK (continued)

in their own way....yet no one member is more “beautiful” to the overall “bouquet” than any other. The fertile soils of Rotary’s motto “service above self” certainly allow Niles Rotarians to Bloom!

As stated earlier, it's an unprecedented start to my year as president. At the beginning of March, I had a different set of goals and objectives than I now have. By the end of March I started thinking about a total “reboot” of my year. My thoughts of membership growth became some sleepless nights of contemplating membership retention. Knowing how the pandemic affected my business, I worried about others in the club whose businesses were dramatically altered. I contemplated our club's tradition of generosity....yet how we could best serve members who may need financial help maintaining their membership. As the next few months unfold, we will be contemplating what needs to be done to address these and other issues in our efforts to maintain the vitality and financial footing of our 82 year old club. Yet...of great importance is that we continue to **ENJOY** Rotary. I will elaborate on what I mean by this in the coming weeks. It will help us investigate new opportunities to keep Niles Rotary fun and relevant.

As Rotary International President Holger Knaack’s theme for the year states: “Rotary Opens Opportunities”.... among those include the ability to allow each of us to bloom as a Niles Rotarian.

Now let's all hope we can soon “open” the doors of Washington West and be together again. Once we do, I’ve proposed a Niles Rotary Family Reunion theme for that day. In the words of past president Brian Hughes....When we all can meet and come together, “let the good times roll!” Thank you for your Rotary heart and your membership in Niles Rotary!

Keep on Blooming!
President Dirk

CLUB MEETINGS AND PROGRAMS – June (continued)

June 25 meeting and June 27 District Roast & Toast – special awards and recognitions from President Bruce and District 5170

District Governor Ramesh asked all his Presidents to name no more than five members of their club who made special contributions to their club during the pandemic shutdown with a short description of their contributions. President Bruce sent the following list with his comments to DG Ramesh.

Paul Phipps -- Paul's knowledge of the Zoom platform was and remains instrumental to my ability to effectively run our virtual meetings. In addition to giving tutorials on the platform he helps each week with check-in through the Zoom waiting room and setting up our breakout rooms.

Chuck Canada - Chuck is the chair of our membership development committee and has done an outstanding job keeping the committee engaged during the pandemic. Among other things, he has helped us induct a member and have another exchange her red badge for blue during our virtual meetings.

Audrey Kearns - President-Elect Nominee Audrey has been a loyal and tireless worker during the pandemic. When we had to cancel our "Elimination Raffle" fundraiser, Audrey was instrumental in handling the administration behind a program through which 208 of the 232 persons who had purchased a ticket agreed to donate their ticket price to our Niles Rotary Foundation. With a match from the Foundation and Audrey's family, we now have over \$80,000 to contribute to local not-for-profits through our granting process, meaning we ended up having a fundraiser despite the pandemic.

Mary Lynn Pelican- Mary Lynn is our club photographer and she's done a great job of taking photos during our virtual meetings, which we then post on our Facebook page, in our weekly bulletin to our members, and in our monthly newsletter, the Pinion. I believe these photos help keep our members engaged.

Steven Lloyd - Steven is our International Service chair. He was working on a very exciting project involving a peace center being built in the former Yugoslavia when it got aborted due to the pandemic. Steven remained focused and worked with a former international service chair to identify an alternative project for the use of Area 3 funds. He also is the chair of our communications committee and has kept it working throughout the pandemic on its primary task this year -- a new website for the club.

SOME NOTES ON NILES ROTARY MEETINGS VIA ZOOM

These notes are taken from an article that President Bruce did for the April *Pinion*:

1. Our weekly club meetings are being held via Zoom. If you have not yet used Zoom, you can install Zoom at: <https://zoom.us/download>
2. The link to the meeting is the same every week, so you can save one message with the link information; President Bruce has also sent link information each week.
3. Attendance at the virtual meetings is voluntary. You do not have to attend and will not be penalized if you don't. But knowing Niles Rotarians, President Dirk is sure you will want to attend. This crowd is too much fun to avoid!
4. Depending on how long the stay at home environment lasts, Zoom also will enable us to continue having committee meetings, and we'll even use it for social interactions like Fellowship Friday. Other suggestions are welcome.
5. With our diverse membership, we have many members who, due to their own age or medical condition, or that of family members, need to be extra vigilant about outside interactions and exposures. We also have members for whom the risk associated with Essential Functions is less of a concern. Our We Care Chair, Margo Hood, will assemble a list of Niles Rotarians willing to volunteer to help out those members who need assistance, which will be published and made available to the entire membership, all of whom can feel free to contact anyone on the list to ask for assistance. The list will identify where each of the volunteers lives, so that anyone in need can contact someone in their vicinity. Requests will be held in strict confidence. **IF YOU WOULD LIKE TO BE ON THE VOLUNTEER LIST, PLEASE CONTACT MARGO AND LET HER KNOW!!!**

I am aware that many of you keep in contact and offer assistance on your own. These measures are not intended to interfere with that, so keep on doing what you're doing. And, if you have any ideas of your own that you think might help the club maintain continuity and collegiality, by all means let me or any other member of our board, or any of our service chairs, know. Together, we're going to weather this storm and come out even stronger than ever!

END POLIO NOW – check this website for the most up to date information on the drive to eradicate polio: www.polioeradication.org

Polio Eradication Update – Wild Polio Virus- Polio endemic countries - Polio Case Countdown – Year to date (June 24, 2020)

Polio Endemic Countries	2020 ytd	2019 ytd	2019 total
Afghanistan	19	13	29
Pakistan	53	44	147
Total:	72	57	176

WHO has certified type 3 of the wild poliovirus as eradicated – big news, according to RI Foundation Chair Gary C.K. Huang. And we have gone 3 years without any wild poliovirus on the continent of Africa, which may soon be certified polio-free. But our fight isn't over. There's still work to be done in Afghanistan and Pakistan, the two remaining polio-endemic countries. (Editor's note: Pakistan is especially troubling as you can see from the table above!)

- The October 14 issue of Kid Scoop in the East Bay Times newspaper was devoted to Polio!

Centerville Free Dining Room Food Handlers Card Information

To volunteer at Feed the Hungry you must have a food handler certificate (unless you are the door greeter or person taking census) – this is just for our club service at Feed the Hungry – this information is not on Rotary International or District websites.

From Rose Evernden-Andrade:

As a result of a recent Alameda County Environmental Health Department inspection at the Centerville Free Dining Room, all Rotarian volunteers that handle food are required to have a California Food Handler card to work at Feed the Hungry dinners.

This includes all: Kitchen food handlers; Servers; Dish Washers

The only volunteers exempt for this rule are the Greeters and the person taking the Census.

Rotarians can obtain their card by going on line to www.premierfoodsafety.com.

There is a cost for the course. You must create an account, sign-in and listen to the training video, which runs about 45 minutes. There is a 40 question quiz at the end that you must pass with a 70%. It is very easy and really just goes over the basics of food handling.

Once you have passed you can print your certificate and card on your home or work printer.

There is a form that needs to be signed. If you have not yet had the form signed, you can bring a copy of your card to Feed the Hungry, and they will have you sign the form.

ROTARIANS WITHOUT CARDS WILL NOT BE ABLE TO VOLUNTEER FOR THIS PROJECT.

If you would like assistance with this PLEASE call me – I am happy to set time up in my office and walk you through the process. I can be reached at 510-304-7703.

If you have spouses, significant others, or friends that attend this project they will be required to have their card and signed document also.

Thank you for your support –

Rose Evernden-Andrade

Our last 2019 date for Niles Rotary at Feed the Hungry (at Centerville Presbyterian Church) was October 31. Our 2020 dates are: January 30, April 30, July 30, October 29, December 31. We do Feed the Hungry when there is a 5th Thursday of the month.

It is time to renew our Food Handler Card – Rose has sent an email to all who need to renew.
